Letter from A.C.Duff, Esq., I.C.S., Collector of Bellary, Ref. C.No.5166/23-A-6, dated 2nd March 1924.

Assessment - Land Revenue - Bellary Taluk - Suspension of Kists of fasli 1333 till next fasli - Suspended revenue of Fasli 1332 - Remission in 32 villages and further suspension in 18 villages - Board's Ref.No.H 292-24-1, dated 21-1-1924 and No.H.331-21-1, dated 22-1-1924.

I submit the following report regarding the suspension of

current years kists till next fasli and the remission or further postponement of the suspended revenue of fasli 1332 in the Bellary Taluk. The season conditions in this taluk have already been reported. The major portion of the taluk has been declared a famine area.

2. Kists of fasli 1333. - February kist has been suspended till March in 102 villages. The average outturn of crops worked out according to the note under B.S.O. 14 para 5 (ii) is below 4 annas in 100 villages and just 4 annas in the remaining two. In four other villages also, viz., Moka, Gonahal, Jalihal, Bommanahal and Karekal the out-turn of crops works out below 4 annas. The enclosed statement shows the average outturn in each of the 106 villages. As the out-turn in these 106 villages is very poor, the Tahsildar and the Divisional Officer propose that all kists of the current year may be suspended till next fasli. In the previous year also the crops suffered for want of timely and adequate rainfall. I therefore recommend that the current kists in the 106 villages may be suspended till next fasli. Pending orders from Government I have postponed the collection of all kists till the end of April. The provisional demand and the amount to be suspended are furnished in statement No.I enclosed. In the remaining villages the out-turn of crops is 5 annas and above. The kists will be collected as usual.

3. Suspended revenue of Fasli 1332.- The collection of suspended revenue of Fasli 1332 in 50 villages has been postponed till March, pending final proposals regarding the suspension of current year's kists. In 32 of these villages specified in statement No.II, the suspension of current year's kists has been proposed.

I invite a reference to para 6 of my letter C.No.5166/23-A-6, dated 14-1-1924. According to B.S.O. 14, para 9, the amount of revenue under suspension at any given time should not, as a rule, exceed the revenue demand of an ordinary year. Bellary Taluk does not come under the exception referred to in the last sentence of the S.O. The suspended revenue in 32 villages will have to be

as the current kists will be suspended till next fasli.

P-3

50

I recommend remission of last years kists in all the 32 villages where the postponement of current year's kists is proposed. The amount of suspended revenue outstanding in these villages is furnished in statement No.ii.

In the remaining 18 villages the suspended revenue may be postponed till next fasli as they had no fair harvest so as to justify its collection this year. The amount of revenue of fasli 1332 oustanding in these villages has already been reported in my letter C. No.516623-A-6, dated 14th January 1924. Pending orders from Government I have postponed the collection of suspended revenue in all the 50 villages till the end of April .

4. I would also recommend that the suspended revenue of fasli 1332 in two villages of Rayadrug which were transferred from Bellary taluk may be postponed till next fasli. They had an outturn of 4-6 annas and the current year's kists will be collected.

Submitted to Government.

2. The Board supports the Collector's proposals. The trac in question suffered in faslis 1330 and 1332.and a portion of th area has been declared a famine area in the current fasli.

3. The cesses of fasli 1332 in the 32 villages of the talul should not be remitted along with the suspended revenue of fasli 1332 as the Local Boards are not in a sound financial condition.
